

Fly-tipping

Don't put up with it, Report it

Keep the Derbyshire Dales clean, safe and green! Dumping rubbish is illegal and dangerous, don't put up with it: report it. Once reported the rubbish can be removed and, with your help, the crime can be investigated. To report a fly-tip use this form to help gather all of the information you need. Then contact Derbyshire Dales District Council by calling the Environment Hotline on 01629 761215, email: environmenthotline@derbyshiredales.gov.uk, or post the form to: Environmental Services, Derbyshire Dales District Council, Town Hall, Matlock, Derbyshire DE4 3NN. You can also complete the form online by visiting www.derbyshiredales.gov.uk/Environment/StreetCareCleaning. Alternatively contact the Environment Agency on their national hotline number 0800 807060.

The District Council or the Environment Agency may wish to prosecute the person fly-tipping and will possibly rely on your evidence in court. Even if you do not wish to be a witness, or to give your name, it is still important to report these crimes, as this will be useful in a prosecution. Do not touch any fly-tipped waste as it may be hazardous. Don't approach the waste and do not open black sacks or containers. Fly-tippers are doing something illegal and do not want to be caught, if caught some fly-tippers may become violent so you should not approach them. Only approach the site when you are sure it is safe to do so.

Abandoned vehicles often get confused with nuisance vehicles. An abandoned vehicle is always a nuisance, but a nuisance vehicle is not always abandoned. A nuisance vehicle could be any of the following; poorly parked, causing an obstruction, involved in residential parking disputes, broken down, untaxed. Please check that the vehicle really seems to have been given up or forsaken before reporting it as abandoned.
