

APPENDIX 3

<b>Related Pathfinder priorities</b>	<b>Current activity</b>	<b>Pathfinder added value</b>
Economic and community regeneration	DDEP/RAZ Single Programme activity, Objective 2 and LEADER+ in the Peak Dales and Moorlands. Wider work carried out by RAZ partners.	Actions within the Main activity section of the Business Plan. A Spin Off from the Contact Centre could be the identification through the LLPG and property owners, by gathering data and information about which properties are vacant, possibilities arise for identifying land and property owners who may wish to release land for suitable developments (i.e. training centres/managed workspace /live/work units)
Retaining young people	Peak 11 Consortium (local high Schools), Youth Enterprise Schemes that develop entrepreneurial skills, Work Placement Schemes and University of Derby activities, Leader +, Connexions	
Affordable Housing	Joint HP & DD Housing Strategy, key issue in Peak Park Management Plan, LSP consultation and Community Strategies	Through the Contact Centre development, empty properties and land owners could be identified and advice on how land owners can sell land for affordable housing can be provided
Sustainable Tourism	Much local activity, Destination Management System, PD and Derbyshire Destination Management Partnership, Peak Tourism Forum (many funded via the RAZ/Objective 2)	Contact Centre and advice provision will be available to all businesses and cross selling will provide further opportunities to promote partnerships
Locally based rural development / promoting local distinctiveness	New Environmental Economy programmes, Peak Food & Drink.	Aligning services, funding and advice will provide support.
Farm Diversification	Defra, Rural Development Service, New Farm Business Advice Service, ADAS support services, Ruralbiz.net	Actions within the Main activity section of the Business Plan
Learning & Skills	Training provision through Derbyshire County Council, University of Derby and local training provider provision. ESF (Obj2 & Obj3 funded projects including an ESF Co-financing project.	Signposting and promoting training and workshops through the Contact Centre.
Enhancing and sustaining a high quality environment	Emerging Natural England, PDNPA and Pathfinder Partners, Volunteering opportunities to get communities involved	A cross cutting theme within the Pathfinder work.
Community Empowerment	Peak District Community Planning Project	Building on this project and others like it to develop community involvement / input to the Pathfinder
