# CEMETERIES

These charges apply to purchasing the Exclusive Right of Burial (including ashes) before or after death of a resident in the Derbyshire Dales District Council area and in the case of a stillborn child where one of the parents was resident at the time of interment.

## Double Fees

Where the Exclusive Right of Burial is purchased for a non-resident of the Derbyshire Dales, fees for all services will be doubled ie for all interments; for the Right to Erect a Memorial; for the right to fix plaques or reserve spaces in a Garden of Remembrance; for the erection of memorials and for additional inscriptions. The fees will not be doubled where the Exclusive Right of Burial was purchased at the single fee at an earlier date. The appropriate Officer of the Council has the discretion to waive these double fees when there are grounds to do so, i.e. past residency in the District or other connections.

**(NB: All fees for cemeteries fall outside the scope of VAT, with the exception of Memorial Plaques)**
