One of the aims of the Constitution is to speed up decision making and so provision has been made for each Committee to make a decision in relation to the other's business where an urgent matter needs attention.

 - the need to respond to peace-time emergency situations under the Emergency Planning arrangements;
 - the need to respond to or embark upon, a course of action with an externally set deadline which would result in significant or lesser but substantial economic social or environmental benefits or disadvantage accruing to the District.
3. Where urgent business cannot be deferred until a Policy Committee meets, urgent decisions will be taken by the Chief Executive or Head of Corporate Services in consultation with:-
 - the Chairman of the relevant decision making body;
 - in his/her absence, the Vice-Chairman;
 - advice should be obtained on vires from the Monitoring Officer;
 - affected ward members will be given notification of urgent business decisions to be taken and the method of determination.
