

Notice affixed to Window of Ricci's

View 1 of proposed layout. Wooden Table and chairs are as used in the Cafe

View 2 of the proposed layout. The round tables are 58cm in diameter

The White chairs are metal and plastic, supplied by IKEA and have a rating of 100kg

The barriers are of plastic construction with a heavy non-slip Base. There are 4 of these barriers, so each of the proposed 4 tables can be 'fenced-off' separately. 2 of the proposed round tables will accommodate 3 white chairs each
