Have your say on new design guidelines

Derbyshire Dales residents are being urged to have their say on new design guidelines drawn up for anyone planning to convert a farm building.

The District Council has updated a supplementary planning document to reflect the policies in the recently adopted Derbyshire Dales Local Plan, changes in legislation and the approach to conversion and re-use of farm buildings.

Supplementary planning documents expand on existing policy to provide extra detail and depth not possible in a Local Plan. Once adopted, it will be used to guide planning applications.

An online survey on the draft Conversion of Farm Buildings Design Guidance Supplementary Planning Document can be completed at www.derbyshiredales.gov.uk/farmbuildingsSPD

The District Council's Planning Policy team can be contacted for more information by email at localplan@derbyshiredales.gov.uk or by phone on 01629 7611251.
