

Freedom of Information Publication Scheme

(Version 4 : April 2021)

What is a Publication Scheme?

The purpose of the publication scheme is to provide a guide to the information the Council publishes or intends to publish in the future.

Derbyshire Dales District Council is required under the Freedom of Information Act 2000 to maintain a publication scheme and this scheme has been produced following the updated guidance provided by the Information Commissioner, and follows the approved standard.

In order to help you find the information you require the scheme is separated in to 7 broad headings these being:

1. Who we are and what we do.
2. What we spend and how we spend it.
3. What our priorities are and how we are doing
4. How we make decisions
5. Our Policies and Procedures
6. Lists and Registers
7. Services Provided by the Council

Wherever possible the information will be made available on the Council's website, and you can search for it via www.derbyshiredales.gov.uk however, providing information electronically is not always possible and where this is the case you should request the information by either emailing foi@derbyshiredales.gov.uk or writing to The FOI Officer, Derbyshire Dales District Council, Town Hall, Matlock. DE4 3NN

The classes of information will not generally include:

- ◇ Information, the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure.
- ◇ Information in draft form.
- ◇ Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

What information am I entitled to?

Anyone anywhere can request any information held by the Council whether it is listed in the publication scheme or not. However, some information held by the Council may be exempt as defined by the Freedom of Information Act 2000 or subject to an exception as defined by the Environmental Information Regulations 2004.

Exemptions under the Freedom of Information Act 2000 can be absolute or qualified:-

- ◇ An absolute exemption means that the exempt information will not normally be made available to you at all.
- ◇ A qualified exemption means that the information will be made available to you, unless the public interest in not disclosing it outweighs the public interest in disclosure. This means that the Council will have to consider and decide where the public interest is greater.

Some of the absolute exemptions include information, which:-

- ◇ is accessible by other means;
- ◇ relates to national security;
- ◇ is or relates to court records;
- ◇ is personal data protected under the Data Protection Act;
- ◇ is subject to legal professional privilege.

Qualified exemptions include information, which:-

- ◇ relates to investigations and proceedings;
- ◇ relates to law enforcement;
- ◇ is commercially confidential.

In exceptional circumstances, some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.

Information will be provided in the language in which it is held or in such other language that is legally required. When an authority is legally required to translate any information, it will do so.

Can I use the information supplied to me for any purpose?

The simple answer to this is **No**. Information which is supplied to you under the legislation is for your personal use only and it may be subject to copyright, either the Council's or a third party's.

Simply because information is published on the Council's website or available under the legislation does not mean the Council or the third party has waived its copyright.

If you do wish to re-use any information you must either email foi@derbyshiredales.gov.uk or write to The FOI Officer, Derbyshire Dales District Council, Town Hall, Matlock. DE4 3NN.

How much does it cost?

Where information is available online it is free for you to download and information that is already provided free of charge, such as leaflets and forms, will be emailed or posted at no cost.

The Council may make charges if the information requested is covered by a statutory fee or is listed in the Council's Schedule of Fees and Charges.

The Council may make charges for photocopying or posting information and you will be written to with the charges explained to you and any fee requested will need to be paid prior to the information being sent.

Should you have any queries about the scheme or wish to make a request please either email foi@derbyshiredales.gov.uk or write to The FOI Officer, Derbyshire Dales District Council, Town Hall, Matlock, Derbyshire, DE4 3NN.
