Section one

Headlines

This Annual Audit Letter summarises the outcome from our audit work at Derbyshire Dales District Council in relation to their 2015/16 audit year.

Although it is addressed to Members of the Authority, it is also intended to communicate these key messages to key external stakeholders, including members of the public, and will be placed on the Authority's website.

VFM conclusion	We issued an unqualified conclusion on the Authority's arrangements to secure value for money (VFM conclusion) for 2015/16 on 28 September 2016. This means we are satisfied that during the year, the Authority had proper arrangements for informed decision making, sustainable resource deployment and working with partners and third parties.
VFM risk areas	<p>We undertook a risk assessment as part of our VFM audit work to identify the key areas impacting on our VFM conclusion and considered the arrangements you have put in place to mitigate this risk. Our work identified the following significant matter:</p> <ul style="list-style-type: none"> — Medium Term Financial Plans – the Council has established a balanced budget for the next two years but has recognised that further savings will be required during the life of the current MTFP. The Council has started to address savings needs through service reviews but will need to achieve savings of £750,000 over the life of the MTFP.
Audit opinion	We issued an unqualified opinion on the Authority's financial statements on 28 September 2016. This means that we believe the financial statements give a true and fair view of the financial position of the Authority and of its expenditure and income for the year.
Financial statements audit	<p>The Statement of Accounts 2015/16 was prepared in a timely manner with high quality supporting work papers.</p> <p>There were no uncorrected audit adjustments at the end of the audit process.</p>
High priority recommendation	<p>We raised one high priority recommendation as a result of our 2015/16 audit work. This is detailed in Appendix 1 together with the action plan agreed by management. The recommendation was in relation to the future generation of working papers in line with our prepared by client list.</p> <p>We will formally follow up this recommendation as part of our 2016/17 work.</p>
Annual Governance Statement	We reviewed your Annual Governance Statement and concluded that it was consistent with our understanding.
Whole of Government Accounts	The Authority prepares a consolidation pack to support the production of Whole of Government Accounts by HM Treasury. We are not required to review your pack in detail as the Authority falls below the threshold where an audit is required. As required by the guidance we have confirmed this with the National Audit Office.
Certificate	We issued our certificate on 28 September 2016. The certificate confirms that we have concluded the audit for 2015/16 in accordance with the requirements of the Local Audit & Accountability Act 2014 and the Code of Audit Practice.
Audit fee	Our fee for 2015/16 was £38,295, excluding VAT in line with the previous year. Further detail is contained in Appendix 3.

Appendix 1: Key issues and recommendations

We have raised one high risk recommendation and agreed what action management will need to take.

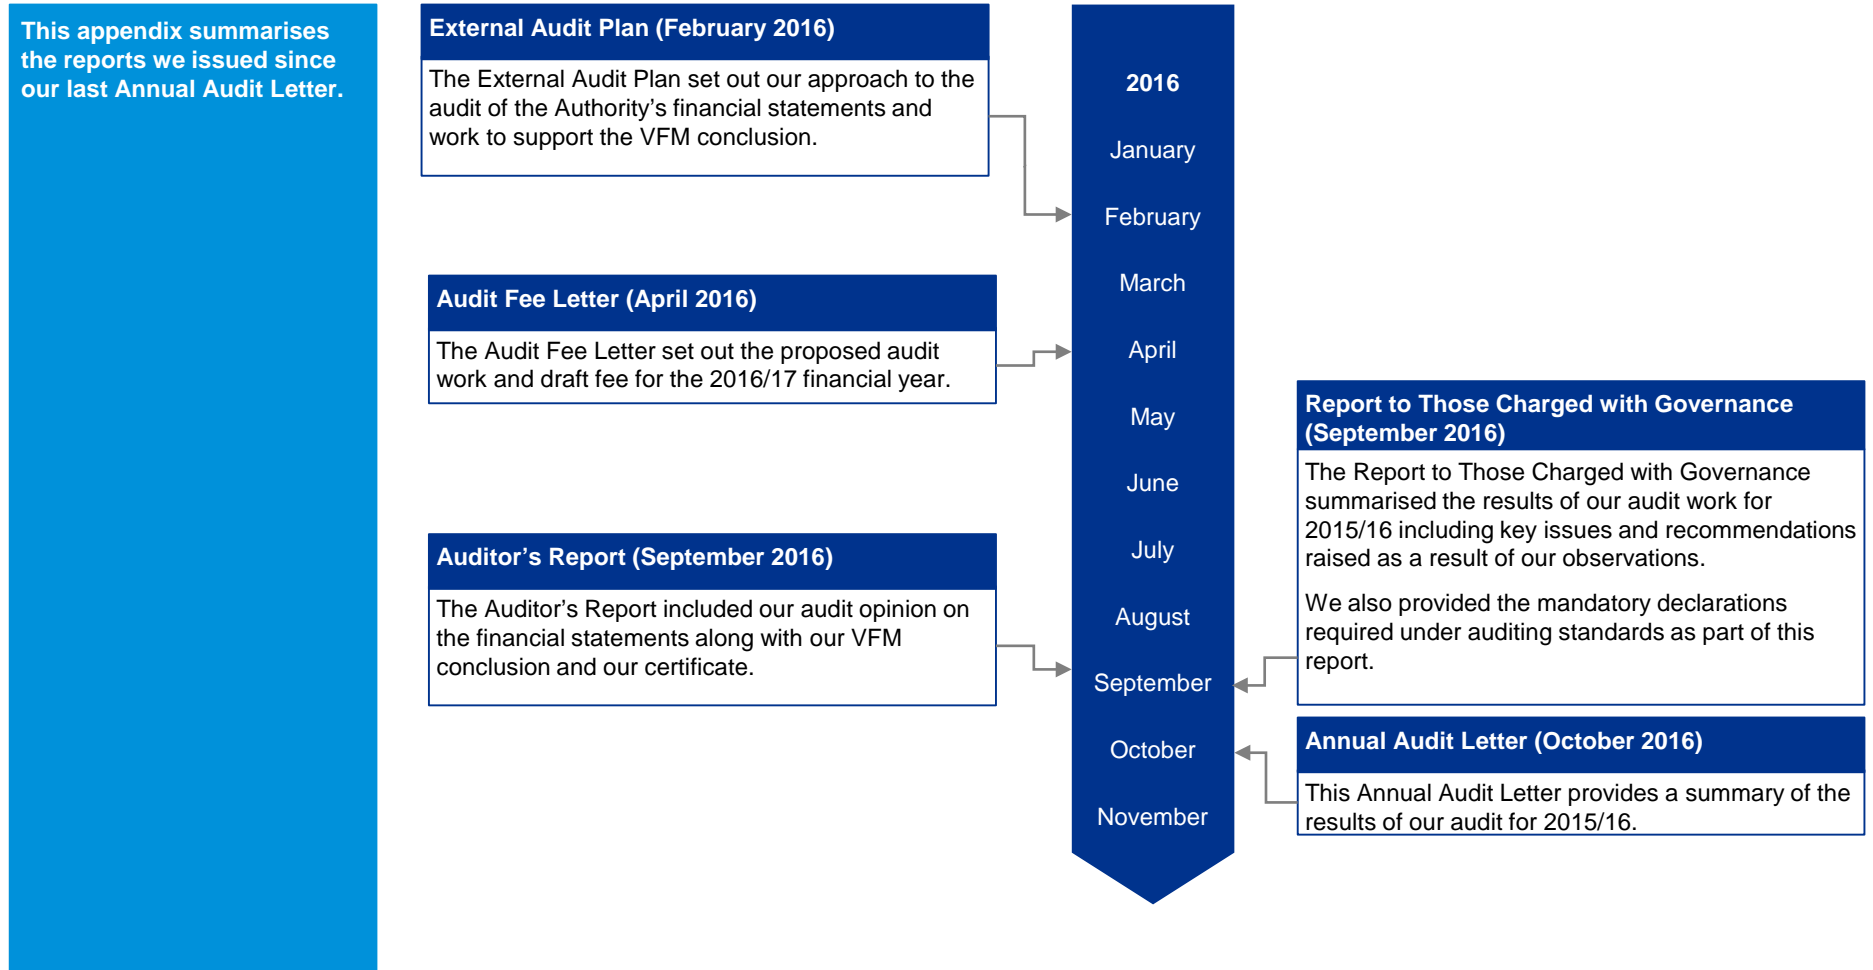

We will formally follow up this recommendation next year.
