

CCTV Subject Access Request Form

Please use this form to request any personal information you think may have been recorded on a CCTV camera that the Council is responsible for. Please note that footage is only retained for a specified period. You may wish to contact us before submitting your request.

The Data Protection Act gives anyone the right to ask the Council for a copy of the personal information that it holds about them for the purposes of providing services to them. This includes CCTV footage. (We have a general Subject Access Request form for all other forms of records). You are not entitled to see information about a third party without their consent.

For your protection, and the security of the data, the Council will need to confirm that you are the person whom the data is about, and will require proof of your identity before it releases the data. If you ask someone to act on your behalf, the Council will need proof of this, and the person's identity (see section 4). We may contact you to confirm that you have authorised someone to do this.

Section 1 - Your personal details
