Have comments

Q6 Please give details of your reasons for support/opposition, or make other comments here:

I have no objection to the development proposals within Darley Dale but have 2 comments:

1. The proposed housing development behind the Coop (old RBS building) will increase traffic onto the A6 in this area, making joining the main road even more difficult. Will you consider putting formal traffic lights on the junction of the A6 with the Chesterfield Road opposite the Coop, to make it easier to navigate this busy junction?

2. The development behind the Coop will probably increase the number of primary school children wishing to attend Darley Dale Primary School which is full to capacity at present and in fact is always over subscribed. Funds should be provided within the overall scheme to enable additional classrooms to be built at the school so more children can attend this outstanding school.
