Dear Mike

Planning consultation: SEA Screening Report for Doveridge Neighbourhood Plan

Thank you for your consultation on the above document which was received by Natural England on 24 January 2017

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England welcomes the Screening Report which assesses the requirement for Strategic Environmental Assessment (SEA) for the Doveridge Neighbourhood Plan.

I can confirm that it is considered unlikely that any significant environmental effects will result from the implementation of the Neighbourhood Plan and therefore Natural England agrees with the report's conclusions.

We would be happy to comment further should the need arise but if in the meantime you have any queries please do not hesitate to contact us.

For any queries relating to the specific advice in this letter only please contact Roslyn Deeming on 02080268500. For any new consultations, or to provide further information on this consultation please send your correspondences to consultations@naturalengland.org.uk.

We really value your feedback to help us improve the service we offer. We have attached a feedback form to this letter and welcome any comments you might have about our service.

Yours sincerely

Roslyn Deeming
