Dear Mr Hase,

Application By Doveridge Parish Council to commence a Neighbourhood Plan.

Further to previous correspondence regarding the above I formally apply, on behalf of Doveridge Parish Council, to Derbyshire Dales District Council for permission to start preparing a Neighbourhood Plan for the Parish of Doveridge.

It is anticipated that The Neighbourhood Area would be defined as the Parish boundary for Doveridge, as suggested by yourself, and shown edged in blue on the attached plan.

The application is being made by Doveridge Parish Council for a designated Neighbourhood Area for the following reasons.

1. Primarily to have an influence on the type, style, number, layout and mix of housing within the village of Doveridge.
2. To influence the future development and improve the sustainability of the village.

I hope this provides enough information for the District Council to proceed with the formal granting of a Neighbourhood area for the Parish of Doveridge. Should you require any further information please let me know.

Is it possible for you to give me an anticipated timetable for this process.

Your sincerely,

Richard A Hewson-Stoate.

Vice Chairman Doveridge Parish Council

Doveridge Parish
