Hulland

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80075	Netherflatts Cottage Dog Lane Hulland Ward Derbyshire DE6 3EH	Cottage and outbuilding. Early C19. Brick, with lower half of wall to road of coursed gritstone. Plain tiled roof with two brick stacks, one at gable end and the other at division between house and outbuilding. Two storeys. Cottage double fronted plus single bay outbuilding with break in the brickwork between the two. Central doorway flanked by large square glazing bar sashes with side lights and very small panes. Flat rendered lintels. First floor with three similar but slightly smaller windows rising to eaves. Decorated eaves course.	II	20/10/1983
80076	Christ Church Dog Lane Hulland Ward Derbyshire DE6 3EH	Church. 1837-38 by John Mason of Derby. Gritstone ashlar with red sandstone dressings. Three bay nave with short projecting chancel (possibly a slightly later addition) and projecting west tower with battlements. Single lancets in the tower, chancel east window with intersecting tracery, all other windows with Y tracery. Good original interior. Flat plaster ceiling. Box pews, pulpit and attached reading desk and west gallery supported by two iron columns. Later fittings include large and heavy High Victorian font and good stained glass of 1863 in the chancel. 3-light east window and 2-light south window.	II	20/10/1983

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80077	The Green Hulland Village Derbyshire DE6 3EP	House. Early C19. Brick, part rendered. Tiled roof with stone coped gables and brick gable end stacks. Two storeys, double fronted. Stone plinth. Central doorway with fluted surround. Six panelled door with semi-circular fanlight above. Flanked by glazing bar sashes with keystone lintels. Three similar windows above. Small front garden enclosed by iron railings. Outbuildings attached to the east. Rubble gritstone with later alterations in brick. One C17 3-light chamfered stone mullion window on first floor. Otherwise altered in C19, carriage arch with gabled dormer above. Listed for Group Valley.	II	20/10/1983
80078	Hulland Hall Trough Lane Hulland Village Ashbourne Derbyshire DE6 3EP	House. Mid-C19 wing at rear, south front 1777. Later additions. Brick with ashlar dressings. Plain tile roofs and brick gable end stacks. South front of three bays, the centre bay advanced. Two and a half storeys and stone coped parapet. C20 French doors on the left. Windows with brick segmental heads, formerly rendered, two on the ground floor and three each to the first floor and attic, of diminishing height. Glazing bar sashes. The east front shows a break in the brickwork between the south and north blocks. The north block is mid-C18 with dentil cornice and thicker glazing bars. There were formerly three brick eaves stacks. One of these was an external stack and the lower part of this remains. Glazing bar sashes to east and west elevations, mostly with brick flat heads. The west front has a mid-C19 glazed wooden porch with lattice work. Listed for Group Value.	II	15/11/1982

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80079	Hulland Hall Trough Lane Hulland Village Ashbourne Derbyshire DE6 3EP	Stables. Late C18 or early C19. Brick with plain tile roof with brick coped gables and one brick gable end stack. Two storeys with central embattled tower and wooden cupola, flanked by gables and single storey extensions left and right. C19 stable doors and four pane sashes and casements. Listed for Group Value.	II	15/11/1982
80080	Hulland Hall Trough Lane Hulland Village Ashbourne Derbyshire DE6 3EP	Stables. Early C19. Brick with tiled roof. Two storeys. Ground floor has segmental arched window and doorway repeated three times. Metal glazing bars divided into 20 panes with centre six as casement openings. First floor with six small rectangular windows. Listed for group value only.	II	15/11/1982

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80081	The Old Hall Trough Lane Hulland Village Derbyshire DE6 3EP	House. Mid-C17, early C18 with much later refashioning. Brick with stone dressings. Tiled roofs with four brick stacks. Two storeys plus attic, irregular plan. Mid C17 east wing. North gable end facade with stone coped gables with kneelers and flush stone quoins. Ground floor with two C17 window openings with chamfered stone surrounds filled with later wooden casements. Two similar but bricked-up windows in the gable. East facade with three 2-light chamfered mullioned windows, one to ground floor and two on first floor. South facade with three similar windows, one each to ground floor, first floor and attic. Attached to the west, but set back, is the early C18 main block, twin gabled. Central doorway with ashlar doorcase with segmental pediment. Modern half-glazed door. Flanked on either side by single wooden cross-windows with square lead panes. Similar windows to first floor and in the centre a small 2-light wooden casement, the right-hand light bricked up. One 2-light wooden casement in each gable. Attached outbuildings to the west, including brick barn with cart entrance. Listed for Group Value.	II	13/09/1967
80082	Glovers Trough Lane Hulland Village Derbyshire DE6 3EP	House. Late C18. Coursed gritstone. Plain tiled roof and two brick stacks, one on the ridge and one at the gable end. Two storeys. Ground floor of east half now with two garages. West half with central doorway with plain flat bracketed hood. C10 plank door. Flanked on each side by window openings with stone lintels and projecting cills. Small pane casement windows. Two similar windows above. A stone wall encloses the garden in front of the west half.	II	20/10/1983

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80083	Hulland Grange Upper Lane Hulland Ward Derbyshire DE6 3FH	Farmhouse. Mid-C19. Cement rendered and lined to resemble ashlar blocks. Hipped slate roof with two ridge stone stacks. Deeply overhanging eaves. Two storeys. East elevation double fronted. Central doorway with raised pilasters and lintel. Flat hood. Mid-C19 door with two raised and fielded panels to lower part and glazed upper part with margin lights. Rectangular light above with margin lights. Flanked on either side by glazing bar sashes. Three similar windows above. All windows have a raised diamond shaped motif to the lintels and there is one above the doorway.	II	20/10/1983
