LB Ref	Address	Description	Grade	Date Listed
81400	Mile Post South Of Quarry Top Muggintonlane End Weston Underwood Ashbourne Derbyshire	Mile post. Early C19 cast iron triangular in plan with sloping upper part and flat gabled top. Inscribed 134/LONDON/HULLAND WARD/HULLAND/WARD/1/MILE/DERBY/ 8 MILES.	II	12/07/1985
81401	Halters Devil Chapel Intakes Lane Turnditch Derbyshire	Chapel 1723 and late C19. Rubble gritstone, gritstone ashlar and brick, welsh slate roofs. Single storey chapel attached to south west side of two storey farmhouse. Chapel has an imposing 2-bay ashlar front in classical style. Central doorway with eared architrave and keystone. Plank door. Flanked on each side by a large window with flush stone surround, segmental head, and keystone. Pilasters at the angles rising to top of a tall coped parapet with ball finials. Side elevation has two similar but smaller windows, continues the coped parapet. Rear wall is of brick. The chapel is said to have been enlarged in 1890. It now measures approximately 13 by 14 feet. Inside, plain C19 fittings. The pulpit incorporates C15 woodwork. The chapel was built in 1723 by Francis Brown according to local legend. Listed for Group Value.	II	12/07/1985

LB Ref	Address	Description	Grade	Date Listed
81402	Halter Devil Farm Intakes Lane Turnditch Derbyshire DE56 2LU	Farmhouse probably late C17, substantially rebuilt in late C19. Coursed squared gritstone and red brick. Plain tile roof with rendered gable stacks. Two storeys. Symmetrical double fronted east elevation of two bays, Central doorway with basket arch and C20 glazed door flanked on each side by windows with basket arches and C20 top hung casements.
